IMPORTANT — READ CAREFULLY BEFORE INSTALLING OR USING THIS SOFTWARE.

This End User License Agreement (“Agreement”) is a legal agreement between you (an individual or a single legal entity, “Licensee”) and Martin P. Heigan (“Licensor”) for the software product mh LTC Generator, including all associated executable code, data files, documentation, and related materials (“Software”).

By installing, copying, or otherwise using the Software, you agree to be bound by the terms of this Agreement. If you do not agree to these terms, do not install or use the Software.

1. Grant of License

Subject to the terms of this Agreement, Licensor grants Licensee a non-exclusive, non-transferable, non-sublicensable limited right to install and use the Software solely for Licensee’s own internal professional or personal use.

1.1 Individual License. An Individual license authorises use of the Software on a single computer, identified by its network hardware address (MAC address). The license is bound to the registered name, email address, and MAC address encoded in the license key. Only one license type is available for this Software.

1.2 Free Mode. Certain functionality of the Software is available without a valid license key (“Free Mode”). Free Mode permits full use of all Software features for up to 75 minutes of LTC generation per calendar day. The daily allowance resets at midnight. Free Mode is intended for equipment testing and brief production checks. Unlicensed use beyond the daily allowance is not permitted without obtaining an Individual license.

1.3 License Key. The license key and associated ltc_license.dat file are issued to a specific name and email address. They are personal to the Licensee and may not be transferred, shared, or used by any other individual or entity.

2. Restrictions

Licensee shall not, and shall not permit any third party to:

2.1 Copy, reproduce, distribute, publish, or make the Software or any part of it available to any third party, whether for commercial purposes or otherwise, without the prior written consent of Licensor.

2.2 Modify, adapt, translate, reverse engineer, decompile, disassemble, or create derivative works based on the Software or any part of it.

2.3 Remove, alter, or obscure any copyright notice, trademark, or other proprietary rights notice contained in or displayed by the Software.

2.4 Sub-license, rent, lease, loan, sell, or otherwise transfer the Software or any license key to any third party.

2.5 Use the Software in any manner that could damage, disable, overburden, or impair Licensor’s services or reputation.

2.6 Use the Software to develop a competing product or service.

3. Intellectual Property

The Software is the exclusive intellectual property of Martin P. Heigan. All title and copyrights in and to the Software (including but not limited to any code, data, documentation, and related materials) are owned by Licensor. The Software is protected by copyright law and international treaty provisions. All Rights Reserved.

This Agreement does not grant Licensee any ownership interest in the Software. Licensee acquires only the limited right of use described herein.

4. License File and Key

4.1 The ltc_license.dat file and associated key are issued exclusively to the registered Licensee and are tied cryptographically to the registered name, email address, and the MAC address of the licensed machine.

4.2 Licensee is responsible for safeguarding the ltc_license.dat file. Licensor may re-issue a license to the original registered Licensee upon verified request at no additional charge.

4.3 Any attempt to modify, forge, share, or circumvent the license validation mechanism constitutes a material breach of this Agreement and may constitute a criminal offence under applicable law.

5. No Warranty

THE SOFTWARE IS PROVIDED "AS IS" WITHOUT WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT. THE ENTIRE RISK AS TO THE QUALITY AND PERFORMANCE OF THE SOFTWARE IS WITH LICENSEE.

LICENSOR DOES NOT WARRANT THAT THE SOFTWARE WILL MEET LICENSEE'S REQUIREMENTS, THAT OPERATION WILL BE UNINTERRUPTED OR ERROR-FREE, OR THAT DEFECTS WILL BE CORRECTED.

6. Limitation of Liability

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL LICENSOR BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, EXEMPLARY, OR CONSEQUENTIAL DAMAGES (INCLUDING BUT NOT LIMITED TO LOSS OF DATA, LOSS OF PROFITS, BUSINESS INTERRUPTION, OR LOSS OF PROFESSIONAL INFORMATION) ARISING OUT OF THE USE OF OR INABILITY TO USE THE SOFTWARE, EVEN IF LICENSOR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGE.

IN NO EVENT SHALL LICENSOR'S TOTAL LIABILITY TO LICENSEE EXCEED THE AMOUNT ACTUALLY PAID BY LICENSEE FOR THE LICENSE UNDER WHICH THE CLAIM ARISES.

7. Termination

7.1 This Agreement is effective until terminated.

7.2 Licensor may terminate this Agreement immediately and without notice if Licensee breaches any term of this Agreement.

7.3 Upon termination, Licensee must cease all use of the Software and destroy all copies in Licensee's possession or control.

7.4 Sections 2, 3, 5, 6, and 8 survive termination of this Agreement.

8. Governing Law

This Agreement shall be governed by and construed in accordance with the laws of the Republic of South Africa, without regard to its conflict of law provisions. Any dispute arising under this Agreement shall be subject to the exclusive jurisdiction of the courts of South Africa.

9. Entire Agreement

This Agreement constitutes the entire agreement between Licensor and Licensee with respect to the Software and supersedes all prior or contemporaneous understandings, representations, or agreements, whether written or oral, relating to its subject matter.

If any provision of this Agreement is held to be unenforceable, that provision shall be modified to the minimum extent necessary to make it enforceable, and the remaining provisions shall continue in full force.
